**Glamorous, modern style • Opal white, mouth-blown glass • Provides a soft, diffused light**

Lilly beautifully balances simplicity with elegance. The minimalist frame contrasts softly with the luminous opal glass domes, which diffuse a warm and pleasant light into the room. The combination of the clean metal structure and the glowing glass shades gives the floor lamp a refined and sophisticated look. The placement of the shades creates a harmonious, sculptural expression while providing 360-degree illumination throughout the space. The glass in this lamp is mouth-blown and has been individually crafted by hand. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
