Cool, chunky design • Satin-soft surface • Adjustable lamp head for a directional light • Touch switch on the base • Can be installed with the included cable or directly onto a wall outlet

Louella stands out with its cool, chunky shape and satin-soft surface that feels both modern and elegant. The adjustable lamp head lets you direct the light exactly where you need it – ideal for reading or creating focused, functional lighting in your home. The lamp is designed for individual control using the integrated touch button on the lamp itself, and not from a wall switch.
